LONG TERM TRADE AND PAYMENTS AGREEMENT

between

The Government of the Republic of Iceland

and

The Government of the Polish People's Republic.

The Government of the Republic of Iceland and the Government of the Polish People's Republic

- desirous of strengthening the friendly relations between the two countries,
 - considering that the economic development of both countries creates favourable conditions for further expansion of trade and economic relations,
 - being desirous of promoting and facilitating the development of trade and economic relations between their two countries to their mutual advantage,
- have agreed as follows:

Article 1

The two Governments have as their objective and shall endeavour to create the conditions for a continuing increase in trade between the two countries both in goods which have traditionally been exchanged between them and in new ones.

Article 2

The two Governments confirm that they will in accordance with the General Agreement on Tariffs and Trade, to which they have both acceded, accord each other most favoured-nation treatment in particular with regard to customs duties and charges and with respect to the rules and formalities connected with the importation and exportation of goods and services.

Article 3

The two Governments confirm their interest in the development of various contacts and cooperation in the field of trade, industry and technology, and will endeavour to encourage and support the undertaking of such cooperation between interested institutions, organisations and enterprises in the two countries, i.a.:

- a) direct contacts between enterprises and institutions,
- b) joint feasibility studies, planning and implementations of projects of common interest,
- c) joint research and development of new technological processes,
- d) arrangement of conferences and exhibitions,
- e) exchange of specialists,
- f) other projects of common interest.

Article 4

All payments between the two countries shall be made in freely convertible US dollars or in any other freely convertible currency as may be agreed upon. The payments shall be effected in accordance with laws and foreign exchange regulations in force in each country.

The Bank Handlowy w Warszawie SA and the Sedlabanki Íslands shall agree upon a technical arrangement in connection with the implementation of the provisions of this Article.

Article 5

A mixed Commission, composed of representatives of the two Governments, shall be established in order to review the implementation of this Agreement.

A Mixed Commission shall consider problems which may arise in the mutual trade relations and economic, industrial and technical cooperation and discuss any other questions arising out of this Agreement which may be proposed by either side.

The Mixed Commission may make proposals or recommendations to the respective Governments aiming at a further development of the exchange of goods and at supporting and developing of economic, industrial and technical cooperation between the two countries.

The Mixed Commission shall meet annually alternately in Poland or in Iceland and shall meet otherwise at the request of either Government at a date and place to be agreed on each such occasion.

Article 6

Attached to this Agreement are two Annexes covering Icelandic and Polish export commodities of particular interest to each Government. The commodities and quantities stated in the Annexes are indicative but it is agreed that the sale of these commodities would stimulate the mutual economic cooperation. The Mixed Commission can review and amend the Annexes.

Article 7

This Agreement replaces the Trade and Payments Agreement between the Republic of Iceland and the Polish People's Republic, dated September 12, 1969, and enters into force, together with Annexes, on the date of signature, and will remain valid until December 31, 1980. Thereafter it shall be automatically extended, each time for a period of one year, unless one of the two Governments gives to the other Government written notice of termination not later than three months before its expiry.

Article 8

The expiration of this Agreement shall have no effect on the validity and implementation of arrangements and contracts concluded between institutions, organisations and enterprises in the two countries.

Done in two original copies in the English language in Reykjavik on April 30th 1975.
